Online Donation Pledges Information

Instructions to Captains for using the “On-Line Fundraising Tool”

1. To Start a Team, go to www.bowlforkidssake.ca
2. On the left menu, click MENU → British Columbia → Langley
3. Select “ Register to Bowl”
(This is for fundraising only. Please call or email the office to set up a time for bowling and to book your lane.)
4. Select the “Start a Team” option
5. Name your team and optionally enter a team goal.
6. Fill out the registration form. TIP: Use your email address as your username because it is unique and easy to remember. If you did this last year your personal information will still be there.
7. Log in and use this site (by returning to the main page and clicking on the “Main Login” link) and customize your website. Then use the email tools to first recruit your team members and then to solicit donations from co-workers, friends and family. You can also cut and past the website address into an email and send the email to your contacts in your address book.
8. The instructions for Team Members to join your team is the same except that they would select “Join a Team” option rather than “Start a Team” option. They will see the team you created in a drop down menu.
9. Next, click continue. They can start to solicit donations from their co-workers, friends and family.

** After you have signed up on line, your donors can go to the same website address above and click on “Sponsor a bowler” and type in your name. They can then follow the instructions displayed on the screen. This is a secure website and they will immediately after filling in the donor information receive notification to download their receipts into a PDF that they can print.
